

## 2017 Troop 257 Harvest Feast and Fun

The scouts have decided to celebrate a bountiful year with a family campout Harvest Feast. The whole family is invited to join us overnight, or to just come out for the day to camp Timberlake. The scouts and Buffalo patrols will be preparing dishes for each meal, so you can sample what your scout is learning to cook.

In addition the scouts are planning surprise activities. Many things have been discussed, from haunted trails to pumpkin trebuchet's, so attend to find out what they plan
